HOMES.—If you have met with the following before, it will be a repetition. Hard times are at hand; all must learn refreshment and economy.

One great source of distress to many is the hiring of more expensive houses than they can afford. You don't want double parlor. A sunny little parlor is sufficient, and then you will be obliged to retrench on other things. You don't want a large dining room, you will be obliged to retrench on other things. You don't want a large dining room, you will be obliged to retrench on other things.

The Battle of Life.—Read and treasure up the wisdom contained in the following sentences:

The battle of life, in by far the greater number of cases, must necessarily be fought up hill, and to win it without struggle, war, perhaps, to win it without honor. If there were no difficulties, there would be no success; if there were nothing to struggle for, there would be nothing to achieve. Difficulties may intimidate the weak, but they act only as a stimulant to men of pluck and resolution. All the experience of life, indeed, serves to prove that the impediments thrown in the way of human advance steadily good conduct, honest self, activity, perseverance, and above all, by a determined resolution to surmount difficulties and stand manfully against misfortune. Let young men who are ready to yield to trifling obstacles, and accustomed to "fail by the wayside," think of these things.

New Building.—Mr. John N. Norton purchased on the 1st inst. of Mr. Norton, the property on the N. E. corner of High and Chapel streets, for \$10,000. Mr. Norton has commenced the work of demolition preparatory to erecting a four-story front building, to be finished by November next. It will be 40 feet front on High street, running back 100 feet on Chapel street. The first story will contain two store rooms 100 feet deep, and a broad stairway. The second story will be partitioned off into small rooms for offices. The third story will comprise a large hall, convenient of access, fitted up for concert purposes, and finished in the latest style. The building, when completed, will be one of the most imposing in the city.

A District Convention of the officers and teachers of the Methodist Episcopal Churches will be held on Wednesday, the 10th inst., in the Town St. Church, commencing at 10 o'clock A. M.

Also, on Tuesday evening, the 23d inst., there will be a meeting of officers and teachers, connected with the three churches: Bigelow Chapel, Town St. Church, and Wesley Chapel, for the purpose of organizing a Methodist Episcopal Sabbath School Union in this city.

CONSTITUTION AMONG THE DEUTSCH.—The dentists have great times and rich pickings among the multitudes of decayed teeth arising from the use of inferior Saleratus which the community is flooded. But James Fyke's Dietetic Saleratus causes great consternation among them. It threatens to destroy their business. Depot, 345 Washington street, New York. Sold by grocers everywhere.

Our Public Schools will re-open on Monday next, the 8th inst. Though the children have had a short vacation, they should be punctual in their attendance next Monday, for they will have a long one next summer.

WOMAN'S RUNTS TRUMPANT.—The House of Representatives has passed Mr. Keen's Senate Bill—Concerning the Rights and Liberties of Women. It has, therefore, become the law of Ohio.

The newly organized musical troupe, the Cantic-Verein, will make their first appearance at Army Hall next Monday evening, the 8th inst. Every body should go and hear them.

The Democrats of Truro township carried their entire ticket, at the township election on Monday, April 1, with the exception of one Constable. Good for Truro!

Wild pigeons are selling at fifteen cents a dozen.

We congratulate our readers upon the discovery of a cure for Rheumatism, Gout and Neuralgia, and all Mercurial Diseases, which is effected without the use of internal medicines, which destroy the constitution and give temporary relief only. In fact it is the only known remedy effecting a perfect cure, and we feel warranted, from its recommendations, in calling the attention of the afflicted and those having friends suffering from Rheumatism, Gout or Neuralgia, to the advertisement in another column of our paper, of Dr. Leland's Anti-Rheumatic Band.

Prof. WOOD'S RESTORATIVE CORDIAL AND BLOOD RESTORANT, in without doubt, the best tonic Cordial in the world. To those who are suffering from General Debility we would recommend its use, for while it is pleasant to the taste, it is strengthening to the system, and will at once tend to remove all impurities of the Blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bottle of this Cordial, one will be for a day without it.

Good.—We met one of our friends yesterday on Broadway, and were astonished at the change in his appearance. A few weeks ago we saw him, he was pale, lean and dejected, complaining of weakness and debility, having been afflicted all winter. Now he appears to be fat, healthy and strong. We learn he has his restoration entirely to McLEAN'S STRENGTHENING CORDIAL.

We advise all who are complaining of General Debility to try it; it is certainly a very pleasant remedy. We learn that there are large quantities of it selling daily.—Morning Herald.
